

Add “Practice Mode” vs “Challenge Mode”

Practice Mode: -

- Hints enabled
- No timer
- Educational guidance

Challenge Mode: -

- No hints
- Score multiplier
- Realistic inbox pressure

Add Mini Goals: -

Instead of only fake or real, use =

- Find the fake sender.
- Detect urgency language.
- Identify dangerous attachment.
- Spot three suspicious links.

Simulate Real Mistakes Safely

Allow players to click the phishing link intentionally. Then show;

- Fake login page
- What data criminals try to steal
- How scams work behind the scenes

Seeing the attack process creates stronger understanding
